

# HOW TO READ LOT NUMBERS

A bucket with the lot number  
L289 was manufactured on  
October 16, 2017

1. The first letter indicates the year the product was manufactured.

*For example: L=2017, M=2018, N=2019, P=2020, Q=2021, etc.*

*Note: The letter I and the letter O are skipped.*

2. The next three digits indicate the day of the year the product was manufactured.

*For example: 001=January 1, 152=June 1, 365=December 31*

3. All remaining digits are for internal use only.
